- Look after the data securely and notify members immediately if there has been a data breach.
- Allow a member to inspect the data held about them and, if necessary, amend or delete all or part of the data.

- Not pass the data to a third party without the member's explicit consent to do so.

A copy of FOP's data processing policy, which gives additional detail, can be seen on the website (www.friendsofpittville.org.uk).
